

Summer Camping Trips

Every summer my family goes camping. Dad always picks a campground and then highlights our route there. Mom always makes a list of everything that we will need and then gives my sisters and me a list of everything that we need to pack in our suitcases. My sisters and I always bring crayons and coloring books for the car ride; dad gets mad that we don't look at the scenery. Last summer we went to Kelowna. We stayed in a nice hotel on the beach and spent our days sunbathing on the beach, swimming in the lake and waterskiing. Kelowna was a lot of fun; I had a great time with my family.

Summer in Kelowna

My family and I went to Kelowna for two weeks last July. It was the most fun I had all summer. We stayed in a beautiful house on the beach; it had a pool and a big screen television. Every morning we woke up to the smell of mom making waffles and dad shooting hoops in the driveway. After breakfast we would head to the beach to lie in the sun and play in the water. I was able to read three new books and get the best tan. My sister, dad and I often played mini golf in the afternoon; we had so much fun that we let dad win sometimes. We found the best ice cream in the world at this little restaurant next to the mini golf course; I had rocky road ice cream everyday. I can't wait to go back next summer.
